

(Fiscal year 2010 began September 1, 2009)

If a T-4 permit number is listed as 00000, it is not yet permitted or added to an existing permit. If the number is 99999, the system is distribution, which does not require a permit. \*Typos corrected and permit numbers replace 00000 as discovered. Last revision 8/24/2011
