

RAILROAD COMMISSION OF TEXAS OIL & GAS DIVISION

To: Danny Sorrells, Assistant Executive Director, Director, Oil & Gas Division

From: Tiffany Humberson, Manager, Environmental Permits & Support Unit
Paul Dubois, Assistant Director, Technical Permitting Section

Subject: Commercial Surface Disposal Facility

Date: July 14, 2021

Pursuant to 16 Texas Administrative Code § 3.8(d)(6)(C), the Director of the Oil and Gas Division ("Director") may determine that another class of persons, such as offset operators, adjacent surface owners, or an appropriate river authority, should receive notice of the application. If the Director determines that another class of persons requires notice, the applicant must mail or deliver notice to members of that class of persons in accordance with the Director's instructions. *Id.*

The Director hereby determines that adjacent landowners (aka offset landowners) require notice of applications filed with the Railroad Commission of Texas ("Commission") under 16 Texas Administrative Code § 3.8(d)(6) for commercial surface disposal facilities. Notice must be submitted to adjacent landowners in accordance with 16 Texas Administrative Code § 3.8(d)(6)(C) for each application for commercial surface disposal facility submitted to the Commission.

Signature of this document will serve as the Director's express determination that the notice described in this memorandum is required. This determination will continue until expressly revoked.
