# LNG Form 2016 Application for Examination

## General Instructions

This form must be completed to apply for initial certification. It is the individual's record of application for examination.

### AVAILABLE HELP

- For assistance in completing this form, contact your Company Representative
- Information about certification, exams and study guides can be found on the Alternative Fuel Safety section of the RRC website at: [www.rrc.texas.gov](http://www.rrc.texas.gov)

## Applicant Information

1) Complete the student's name and address contact information. The *Social Security Number* is required.

The *RRC License Number* is required and is found on the company wall license. If the individual is not employed by a company leave the *Company Name* and *RRC Company License Number* blank.

## Employee-Level Examinations

2) Select the employee-level or management-level examinations needed.

**Service and Installation Technician** – Covers all activities related to stationary CNG systems, including CNG containers, piping and equipment. It does not cover filling containers or operating an CNG transport.

**Delivery Truck Driver** – Covers activities related to operating a cargo tank or cylinder delivery unit, loading and unloading CNG and connecting and disconnecting transfer hoses, operating a cylinder delivery unit, and all activities related to stationary CNG systems, including CNG containers, piping and equipment. It also includes inspecting, filling, disconnecting and connecting CNG cylinders.

**Cylinder Filler** – Covers the inspection, filling, disconnecting and connecting of CNG cylinders.

## Management-Level Examinations

Descriptions of management level examinations can be found in Section 13.70(c) of the Regulations for Compressed Natural Gas.

**A full copy of the Regulations is available for download from the RRC website at no charge.**
