The following terms and conditions shall be fully incorporated into and constitute part of any offer by Vendor to RRC and any agreement between RRC and Vendor. Vendor shall comply, and Vendor shall require all Vendor's subcontractors and sub-vendors (if any) to comply with these terms and conditions.

1. CONTRACT SCOPE:

Vendor shall provide the goods and/or services in accordance with the specifications and terms and conditions of the Domestic Block Course Agreement.

2. NO QUANTITY GUARANTEES:

RRC makes no express or implied guarantees or warranties that any specific quantity or dollar amount of products and related services will be procured except as agreed to within the fully executed Contract.

3. DEFINITIONS:

As used throughout the Contract, the following terms have the meaning set forth below:

- A. Compliance Check-** an audit of Vendor's compliance with the Contract may be performed by a third-party auditor, RRC's internal audit department, RRC's contract management and/or purchasing staff, or RRC's authorized designees.
- B. Contract** - the entire agreement between RRC and Vendor, including all the Contract Documents, into which these Terms and Conditions are incorporated as if fully set forth therein.
- C. Contract Documents** – includes the fully executed agreement between RRC and Vendor and fully executed amendments thereto (if any), these "Terms and Conditions of the Contract", specifications, solicitation documents, purchase orders, and any exhibits, appendices, and attachments thereto and incorporated therein through written reference.
- D. Day** - business days, Monday through Friday, except for State and Federal holidays, unless otherwise specified as calendar days. If the Contract calls for performance on a day that is not a business day, then performance is intended to occur on the next business day.
- E. Party** – individually either RRC or Vendor; collectively, "Parties".
- F. Purchase Order** - RRC's fiscal form or format used when making a purchase (e.g., formal written Purchase Order, Procurement Card, Electronic Purchase Order, or another authorized instrument.) An RRC Purchase Order may be considered a Contract or one document of a collective set of Contract Documents that comprise a Contract.
- G. State-** the State of Texas.
- H. Term-** means the period during which the Contract remains in force and effect. Extension of the Term shall occur only through written amendment to the Contract, fully executed prior to date of the Contract's then current Term.

4. GENERAL PROVISIONS:**A. Entire Agreement:**

The Contract Documents constitute the entire agreement between RRC and Vendor. No statement, promise, condition, understanding, inducement, or representation, oral or written, expressed or implied, which is not contained in the Contract Documents shall be binding or valid.

B. Modification of Contract Terms and/or Amendments:

The terms and conditions of the Contract shall govern all transactions between RRC and Vendor under the Contract. The Contract may be amended only upon written agreement between RRC and Vendor; however, the Contract may not be amended in a manner that conflicts with the laws of the United States or of the State of Texas.

C. Invalid Term or Condition:

1. To the extent any term or condition in the Contract conflicts with any applicable State and/or United States law or regulation, such Contract term or condition is void and unenforceable. By executing a contract which contains the conflicting term or condition, RRC makes no representations or warranties regarding the enforceability of such term or condition and RRC does not waive the applicable State and/or United States law or regulation which conflicts with the Contract term or condition.
2. If one or more terms or conditions in the Contract, or the application of any term or condition to a Party or circumstance, is held invalid, unenforceable, or illegal in any respect by a final judgment or order of a court of competent jurisdiction, the remainder of the Contract and the application of the term or condition to a Party or circumstance shall remain valid and in full force and effect.

D. Assignment:

Vendor may not assign the Contract or assign, transfer or delegate, in whole or in part, any of its interest in, or rights or obligations under, the Contract without the prior written consent of RRC, and any attempted or purported assignment, transfer or delegation thereof without such consent shall be null and void.

E. Survival:

All applicable guarantees and warranties for products and services delivered under the Contract shall survive the expiration or termination of the Contract. Rights and obligations under this Contract which by their nature should survive, including but not limited to any payment obligations invoiced prior to the termination or expiration hereof, obligations of confidentiality, and indemnification will remain in effect after termination or expiration hereof.

F. Governing Law and Venue:

The laws of the State shall govern the construction and interpretation of the Contract. Exclusive venue for all actions will be in a court of competent jurisdiction, Travis County, Texas. The Parties expressly agree that no provision of the Contract, Exhibits, Appendices, Amendments, or any Purchase Order is in any way intended to constitute a waiver by the State of Texas or by the RRC of any immunities from suit or from liability that the State of Texas or the RRC may have by operation of law. The failure to enforce, or any delay in the enforcement of, any privileges, rights, defenses, remedies, or immunities available to the State of Texas and the RRC under this Contract or under applicable law does not constitute a waiver of such privileges, rights, defenses, remedies, or immunities or be considered as a basis for estoppel.

G. Limitation of Authority:

Vendor shall have no authority to act for or on behalf of the State of Texas except as expressly provided for in this Contract; no other authority, power, or use is granted or implied. Vendor may not incur any debts, obligations, expenses, or liabilities of any kind on behalf of the State or RRC.

B. Warranties:

Notwithstanding any disclaimers in Vendor's terms and conditions and notwithstanding any other provision of the Contract to the contrary, Vendor warrants and guarantees that all services will meet all specifications of the Contract.

6. CONTRACT FULFILLMENT:**A. Use of Access Data Prohibited:**

B. Orientation Meeting:

At discretion of RRC, an orientation meeting to discuss the content and procedures of the Contract may be required. In the event of such requirement, Vendor agrees to attendance of such meeting. Invoices must include the RRC's Purchase Order number or other pertinent information for verification of receipt of the product or services by the RRC.

E. Payments:

RRC shall comply with Chapter 2251, Texas Government Code, in making payments to Vendor. The statute states that payments for goods and services are due thirty (30) calendar days after the goods are provided, the services completed, or a correct invoice is received, whichever is later. B. Records and Audit:

1. The State auditor may conduct an audit or investigation of any entity receiving funds from the State directly under the Contract or indirectly through a subcontract under the Contract. The acceptance of funds directly under the Contract or indirectly through a subcontract under the Contract acts as acceptance of the authority of the State auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, an entity that is the subject of an audit or investigation by the State auditor must provide the State auditor with access to any information the State auditor considers relevant to the investigation or audit. Vendor will ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through Vendor and the requirement to cooperate is included in any subcontract it awards pertaining to the Contract.
2. A revised Subcontracting Plan shall be required before Vendor can engage additional subcontractors in the performance of this Contract. Vendor shall remain solely responsible for the performance of its obligations under the Contract.

I. Responsibility for Actions:

1. Vendor is solely responsible for its actions and those of its agents, employees, or subcontractors, and agrees that neither Vendor nor any of the foregoing has any authority to act or speak on behalf of RRC or the State.
