PART I: NOTICE TO RESPONDENTS

1. INTRODUCTION.

In accordance with applicable provisions of Texas Government Code Chapters 2155, 2156 and 2254, the Railroad Commission of Texas extends this RFQ to qualified entities to submit a Response detailing the entity's qualifications to provide Professional Engineering Services for Emergency Operations Plan Review on Critical Infrastructure Weatherization as further described herein and in accordance with all terms, conditions, and specifications contained within the Solicitation and Contract Documents. Responses to this RFQ No. 455-22-1013 shall be received by the Railroad Commission of Texas, Contract Management Section, 1701 N. Congress Avenue, Austin, TX 78701 no later than 2:00PM (CT), Thursday, November 30, 2021 for RFQ No. 455-22-1013, Professional Engineering Services for Emergency Operations Plan Review on Critical Infrastructure Weatherization.

The February 2021 winter storm in Texas resulted in a historically high demand for energy. As a result of the extraordinarily low temperatures and related infrastructure deficiencies, the 87th Legislature implemented new regulatory oversight to establish compliance standards, provide regulatory oversight for critical infrastructure that is part of the natural gas supply chain for power generation in the State of Texas, and mitigate the risks of system outages during extreme weather conditions as set forth in Senate Bill No. 3 ("SB3"). SB3 in part requires RRC to analyze emergency operations plans developed by gas supply chain and gas pipeline facility operators.

This procurement for Professional Engineering Services for Emergency Operations Plan Review will allow the Railroad Commission to contract with a highly qualified Professional Engineering Firm with experience in Emergency Operations Plan Review on Critical Infrastructure Weatherization best practices to assist RRC with implementing the requirements of SB3. RRC does not have sufficient personnel required to perform the Professional Engineering Services and seeks to prequalify an Engineering Firm deemed highly capable of completing all work required under a Contract arising from **RFQ No. 455-22-1013** and any Work Order(s) issued thereunder. See **RFQ ATTACHMENT 1 Statement of Services**.

2. SERVICES, GENERALLY. The RRC seeks Professional Engineering Services for Emergency Operations Plan Review on Critical Infrastructure Weatherization to be performed for the RRC throughout the state of Texas. Vendor shall provide all labor, materials, equipment, tools, incidentals, and services necessary to deliver Professional Engineering Services for the RRC, as directed. All work under the Contract shall be performed in accordance with applicable federal, state, and local statutes, laws, ordinances, regulations, and rules, including RRC Statewide Rules, the specifications within this Statement of Services and any Work Order issued under the Contract, and all terms and conditions of the Contract.

This RFQ describes the requirements that must be met by the selected Respondents. Respondents are cautioned to carefully read the RFQ in its entirety. Selection of the most highly qualified Professional Engineering Services providers will be based on demonstrated competence, detailed credentials, evaluation criteria and other requirements as outlined in **Part II: Instructions to Respondent, Section 2.10.2 Weighted Criteria** and **RFQ ATTACHMENT 3 Respondent's Qualification Statement**. Failure to provide the mandatory required information will automatically disqualify Respondent from consideration for award in connection with this RFQ. Selected Respondents shall be bound to the terms and conditions of this RFQ, and the RRC's Contract as finalized between the RRC and Respondent (see **RFQ ATTACHMENT 5 Sample RRC Contract**), any additional, specific terms and conditions applicable to a finalized, negotiated Work Order issued thereunder, and shall comply with all applicable local, state, and federal statutes, rules, regulations, and ordinances, including but not limited to those related to licensing, certification, and permitting requirements.

RRC reserves the right to award more than one Contract from this RFQ. A Contract arising from this RFQ shall not be exclusive; RRC may obtain Professional Engineering Services from other sources during the term of the Contract. A Contract shall have no monetary value and no guarantee that any Work Order will be issued thereunder. An award of a Contract arising from this RFQ shall not disqualify a Respondent from responding to a future RRC project-specific solicitation for Professional Engineering Services.

3. ANNOTATIONS.

3.1 PERFORMANCE PERIOD. Any Contract resulting from this RFQ shall include an original term of one (1) year from date of the Contract effective date (“Original Term”). At RRC’s discretion, original Contract term may be extended for up to three (3) additional one-year optional renewal terms (“Renewal Term”). Renewal Terms to any Contract shall be accomplished through written amendment to the original Contract, fully executed prior to expiration of the Contract, and shall incorporate all terms and conditions of the original Contract as may be amended by mutual agreement between the RRC and Vendor.

3.2 MINIMUM QUALIFICATIONS. To be eligible for consideration of contract award, Respondent must meet all minimum qualification requirements as outlined in the Solicitation and Contract Documents, including requirements stated within any part of this RFQ and the SOS. A Response must clearly demonstrate Respondent meets the following minimum qualifications:

Practice by Business Entity; Registration, all Engineering firms submitting a response to this Request for Qualifications must maintain current “business entity registration” with the Texas Board of Professional Engineers (TBPE) concurrent with their submission of said response and, if selected, through the term of the contract. Provide a copy of your TBPE Certificate of Registration with your response in **Tab B Executive Summary**.
- A Texas Licensed Professional Engineer (P.E.) with a formal educational background in either mechanical, petroleum, facilities, or civil engineering. Copies of resume (2 pages maximum), applicable degrees, certificates, and current licenses (or wallet cards) must be included in **Tab B Executive Summary**.

3.3 COSTS OF RESPONSE PREPARATION. All costs associated with preparation and submission of a Response, including costs associated with submission of all required documents and all copies of all documents and all costs including travel and related activities associated with optional oral presentations, if required, are to be borne solely by the Respondent. Responses that do not meet all requirements or contain all required documentation specified in this RFQ shall be rejected as non-responsive.

3.4 PROTEST PROCEDURES. Any actual or prospective Respondent who is aggrieved in connection with this Solicitation, evaluation, or award of any contract resulting from this Solicitation may formally protest as provided in RRC’s rules set forth in 16 Texas Administrative Code §20.1 (see, [16TAC§20.1](#)).

2.6 HISTORICALLY UNDERUTILIZED BUSINESSES REQUIREMENTS

Pursuant to Texas Government Code Chapter 2161, state agencies are required to make a good faith effort to increase the contract awards for the purchase of goods or services the state agencies expect to make to HUBs during a fiscal year. Historically Underutilized Businesses are strongly encouraged to respond to this RFQ.

2.6.1 HUB SUBCONTRACTING PLAN. In accordance with Texas Government Code Chapter 2161, each state agency that considers entering into a contract with an expected value of \$100,000 or more shall, before the agency solicits bids, responses, offers, or other applicable expressions of interest, determine whether subcontracting opportunities are probable under the contract. RRC has determined subcontracting opportunities are probable under a contract arising from this RFQ, therefore:

2.6.1.1 ALL RESPONDENTS, INCLUDING TEXAS CERTIFIED HUBS, MUST SUBMIT A COMPLETED HUB SUBCONTRACTING PLAN ("HSP") FORM (SEE RFQ ATTACHMENT 4 HUB Subcontracting Plan and Appendix) WITH THE RESPONSE FOR THE RESPONSE TO BE CONSIDERED RESPONSIVE. A RESPONDENT'S FAILURE TO INCLUDE A COMPLETED HSP FORM WILL BE DEEMED A MATERIAL FAILURE TO COMPLY WITH RFQ REQUIREMENTS AND SHALL RESULT IN RRC'S REJECTION OF THE RESPONSE AND RENDERING THE RESPONSE INELIGIBLE FOR AWARD OF A CONTRACT ARISING FROM THIS RFQ.

2.6.1.2 RESPONDENTS MUST SUBMIT A COMPLETED HSP FORM *ON THE HSP FORM INCLUDED AS RFQ ATTACHMENT 4 HUB Subcontracting Plan and Appendix*; NO ALTERNATE FORMS, INCLUDING ALTERNATE OR PRIOR VERSIONS OF HSP FORMS, WILL BE ACCEPTED.

Respondents wishing to take advantage of the preliminary HSP review must submit the HSP no later than the deadline for submission of HSP for preliminary review stated within **TABLE 1 Schedule of Events** of this RFQ. Respondents are strongly encouraged to utilize this opportunity for a preliminary review of the HSP. The preliminary review is not an official review of the HSP for determination of responsiveness or contract award but is a preliminary review for compliance with HSP form instructions and required Good Faith Effort.

2.6.2 GOOD FAITH EFFORT REQUIRED. In accordance with 34 Texas Administrative Code §20.285(d), any person submitting a bid, response, offer, or other applicable expression of interest in response to this RFQ shall submit a completed HUB Subcontracting Plan form demonstrating evidence of good faith effort in developing that plan. Good faith effort shall be in full conformance with all directions for demonstration and submission specified in the HSP form (see **RFQ ATTACHMENT 4 HUB Subcontracting Plan and Appendix**).

2.6.3 PROBABLE HUB SUBCONTRACTING OPPORTUNITIES. RRC has identified potential areas of subcontracting opportunities which are listed within **TABLE 2 Potential HUB Subcontracting NIGP Codes** of this RFQ. Full commodity and services descriptions may be found on the Texas Comptroller's website at: <https://comptroller.texas.gov/purchasing/nigp/>. The list is for information purposes only and is not intended as an exhaustive list of subcontracting opportunities related to this RFQ. It is the sole responsibility of a Respondent to determine what, if any, subcontracting opportunities are most applicable to the Respondent's business in performance of work under a Contract arising from this RFQ. Respondent is not required to include within an HSP form any or all the commodities or services listed in **TABLE 2 Potential HUB Subcontracting NIGP Codes** of this RFQ. Respondents should review the HSP form (see **RFQ ATTACHMENT 4 HUB Subcontracting Plan and**

If it is necessary for Respondent to include proprietary or otherwise confidential information in its Response or other submitted information, the Respondent must clearly label that proprietary or confidential information and identify the legal basis for confidentiality. Merely making a blanket claim that the entire Response is protected from disclosure because it contains some proprietary information is not acceptable and will make the entire Response subject to release under the PIA. In order to trigger the process of seeking an Attorney General opinion on the release of proprietary or confidential information, the specific provisions of the Response that are considered by the Respondent to be proprietary or confidential must be clearly labeled as described above. Any information which is not clearly identified by the Respondent as proprietary or confidential will be deemed subject to disclosure pursuant to the PIA. Respondent will be deemed to have irrevocably waived, and to have agreed to fully indemnify the State of Texas and the RRC against, any claim of infringement by RRC regarding the intellectual property rights of Respondent or any third party for any materials appearing in the Response.

Respondent is required to make any information created or exchanged with a state governmental entity (as defined by Texas Government Code §2252.907(d)) pursuant to the Contract, and not otherwise excepted from disclosure under the Texas Public Information Act, available in at least one of the following formats that is accessible by the public at no additional charge to the State of Texas and/or RRC: *.pdf format compatible with the latest version of Adobe Acrobat®; Microsoft Word®; Microsoft Excel®; or, hard copy (paper).

If Respondent's Response contains any information which Respondent claims is confidential and not subject to release under the PIA, Respondent must prepare and deliver to RRC two USB storage devices containing the following information:

One USB storage device with PDF document containing complete copies of all of Respondent's submissions pursuant to this RFQ. Respondent must label this PDF document "**Complete Response Documents, [Respondent's Name], RRC RFQ No. 455-22-1013. CONTAINS CONFIDENTIAL INFORMATION.**"

One USB storage device with PDF document containing copies of all of Respondent's submissions with all information claimed as confidential excised, blacked out, or otherwise redacted. Respondent must label this PDF document "**For Public Release: Redacted version of [Respondent's Name], RRC RFQ No. 455-22-1013.**"

2.8 EXCEPTION TO PROVISIONS

Respondent is strictly prohibited from taking blanket exception to the entire RFQ; a Response that includes blanket exception to the entire RFQ or that does not include proposed alternative language to exceptions taken, may be disqualified from Contract award. Any exception may be considered negatively during the evaluation and scoring process or may result in a contract not being awarded to Respondent.

- 2.9.4.3 Changes in Ownership Conditions.** Respondent shall include a statement certifying Respondent will notify RRC of:
- a. Any change in ownership during the period prior to Contract award, and
 - b. Any change in ownership during the term of the Contract or any extension or renewal period(s) thereof.

Respondent shall notify RRC in writing, immediately on or before the change in ownership occurs or is identified. Failure of Respondent and/or Vendor to notify RRC as required herein shall be grounds for rejection of the Response and/or termination of the Contract.

2.9.4.4 Legal Actions. Respondent shall identify any pending or completed legal actions that were brought against Respondent, Respondent’s agents, officers, and/or Respondent’s subcontractors, within the five-year period immediately preceding the Response due date and that relate to failure to perform contracted services, breach of contract, mismanagement of a contract, and/or assessment of any penalties or liquidated damages under any contract with any governmental entity. Respondent shall provide details related to jurisdiction of legal action or contract dispute, reason for penalties or liquidated damages, and penalties or liquidated damages amount for each incident.

2.9.4.5 Other. In addition to the disclosures stated above, Respondent shall include any disclosures necessary to conform with **RFQ ATTACHMENT 2 Respondent’s Statements and Covenants**. Respondent is strongly encouraged to carefully and thoroughly review each statement and covenant within **RFQ ATTACHMENT 2 Respondent’s Statements and Covenants** to determine applicability of disclosures and to ensure Respondent’s Response includes all mandatory disclosure statements applicable to Respondent including, but not limited to, conflicts or potential conflicts of interest (see **RFQ ATTACHMENT 2 Respondent’s Statements and Covenants** item 5.)

2.9.4.6 RRC RFQ ATTACHMENTS. **TABLE 3 RRC RFQ Attachments** of this RFQ is provided *as a general guide only* so that Respondent may note certain RRC RFQ Attachments that may be required to be returned with the Response submitted. **TABLE 3 of this RFQ is not intended as a minimum, comprehensive, or exhaustive checklist of required elements of a Response.** Respondent solely is responsible for review and understanding of the entire RFQ including all terms, conditions, specifications, attachments, and addenda, if any, issued and for ensuring a submitted Response contains all required elements and forms to be considered responsive to the RFQ.

2.10 RESPONSE EVALUATION AND CONTRACT AWARD

RRC intends to award one or more Contract(s) for Professional Engineering Services, throughout the state of Texas. To determine highly qualified providers, Responses first shall be evaluated to determine pass/fail of criteria demonstrating responsiveness to this RFQ. Responses deemed responsive shall advance to weighted criteria evaluation and scoring. At conclusion of weighted evaluation and scoring RRC shall determine, in its sole discretion, whether to request pricing and/or oral presentations and/or engage in the Best and Final Offer (“BAFO”) process. RRC reserves the right to continue to evaluate Responses until achievement of best value to the State as defined by and in accordance with Texas Government Code §2155.074 and §2155.075.

2.10.1 RESPONSIVENESS. Each Response shall be evaluated to determine responsiveness to this RFQ. Determination of responsiveness shall include, but may not be limited to, pass/fail determination of a Response in:

- a. Compliance with RFQ Part I, Section 3.3 Costs of Response Preparation;
- b. Compliance with RFQ Part II, Section 2.6 Historically Underutilized Businesses Requirements (including all subsections);
- c. Compliance with RFQ Part II, Section 2.9 Organization of Response (including all subsections); and
- d. Compliance with RFQ Part III, Section 3.1 General Terms and Conditions.

A Respondent’s failure to comply with one or more requirements of the RFQ may result in the Response being deemed non-responsive and thereby disqualified from further consideration of award of a Contract. The list within this subsection is intended for general guidance only and is not intended as an exhaustive list of responsiveness criteria related to this RFQ. It is Respondent’s sole responsibility to thoroughly review the Solicitation and Contract Documents of this RFQ, including all attachments and addenda issued, if any, to ensure understanding of requirements for responsiveness. All determinations of responsiveness to this RFQ shall be final.

2.10.2 WEIGHTED CRITERIA. Responses that are deemed responsive shall undergo evaluation of weighted criteria and scoring to determine highly qualified Respondents based upon demonstrated competence and detailed credentials. Weighted criteria evaluation shall apply the best value standard for purchase of goods or services as set forth in Texas Government Code §2155.074. Factors that may be considered include:

- a. Qualifications of Respondent, Respondent’s personnel, and/or Respondent’s subcontractors;
- b. Respondent’s ability to perform Professional Engineering Services required under the Contract and to promptly and timely provide Services without delay or interference;
- c. Respondent’s ability to perform Mechanical Engineering Services as it relates to the Oil and Gas Industry is preferred and will be evaluated at a greater weight;
- d. Indicators of Respondent’s probable performance under the Contract. Indicators may include but not be limited to Respondent’s past performance on RRC projects, Respondent’s financial resources, and Respondent’s experience or demonstrated capability and responsibility in delivery of same or substantially similar services;
- e. Respondent’s compliance with RFQ Response submission requirements; and
- f. Respondent’s acceptance of terms and conditions.

The criteria and respective weight to be used in determining the best value for the State are indicated in **TABLE 4 Weighted Criteria** of this RFQ.

TABLE 4: WEIGHTED CRITERIA

Criteria	Weight
Qualifications	40%
Professional Engineering Experience	50%
Overall Clarity and Responsiveness	10%
Total Score	100%

2.10.2.1 EVALUATION AND SCORING:

- **Qualifications 40%.** Evaluation and scoring based on education and qualifications listed within **Executive Summary (Tab B)** and relevant information in **Experience and Qualifications (Tab C)**.
- **Professional Engineering Experience 50%.** Evaluation and scoring based on Respondent’s ability to meet and exceed minimum qualifications stated in this RFQ and the information listed within **Experience and Qualifications (Tab C)** and **Attachment 3: Respondent’s Qualifications Statement Form**, including elaboration of, and details related to, the projects identified therein.

- **Overall Clarity and Responsiveness 10%.** Evaluation and scoring shall include, but is not limited to, overall organization and presentation of Response, demonstration of understanding of RFQ requirements.

2.10.2.2 PAST PERFORMANCE. A Respondent's past performance on a State contract, if any, shall be assessed in compliance with applicable provisions of Texas Government Code Chapters 2155 and 2156. Respondents may fail this selection criterion should one or more of the following conditions apply to Respondent:

- a. A score of less than C or Legacy Unsatisfactory in the [Texas Comptroller's Vendor Performance Tracking System](#);
- b. Currently under a Corrective Action Plan through RRC;
- c. Having repeated negative Vendor Performance Reports for the same reason;
- d. Having a record of repeated non-responsiveness to Vendor Performance issues; and/or
- e. Having one or more Purchase Orders that have been cancelled for non-performance in the previous 12 months.

To evaluate and score Respondent's past performance, RRC may also make inquiry with other entities including Respondent's references within **RFQ ATTACHMENT 3 Respondent's Qualification Statement Form** and/or any federal, state, or local government agency. RRC may conduct research and investigation as deemed necessary to fully evaluate Respondent's past performance and may consider notices of termination, cure notices, assessment of liquidated damages, litigation, audit reports, contract non-renewals, and other performance related facts, reports, actions, or information. Any such investigations shall be at the sole discretion of RRC and any negative findings, as determined by RRC, may result in non-award to the Respondent.

2.10.3 ORAL PRESENTATIONS. Opportunity or requirement for Respondent oral presentations is not guaranteed and shall be determined at sole discretion of RRC. Oral presentations, if any, shall provide Respondents an opportunity to highlight the entity's strengths and unique aspects of Respondent's approach contained within the Response, as well as to address any questions put forth by RRC's evaluation committee members.

Following tabulation of weighted criteria scores, RRC may determine it is necessary to invite short-listed Respondents to oral presentations prior to making recommendations for award of contracts. Short-listed Respondents shall be deemed those falling within a competitive range determined by RRC. The competitive range refers to Response(s) determined to be reasonably considered for award selection and is an objective means of narrowing the field of Respondents that will participate in subsequent evaluation activities, if deemed necessary. RRC shall employ the following guidelines when determining the competitive range for invitations, if any, to optional oral presentations:

- a. A "natural break" in scores will determine the competitive range;
- b. The number of Respondents, if any, invited to oral presentations shall depend upon closeness of scores of Responses;
- c. In determining number, if any, of Respondents to be invited for oral presentations, RRC shall consider significant gaps in point separation between the top ranked Respondents;
- d. Only those Respondents that are determined by RRC to be highly qualified to provide the Services may be invited for oral presentations;
- e. Oral presentations, if any, shall be held at RRC headquarters in Austin, Texas or virtually due to COVID-19 or other related public health or safety issues;
- f. All expenses associated with responding to and/or attending an oral presentation shall be borne exclusively by the Respondent accepting and/or attending the oral presentation.

2.10.4 CONTRACT NEGOTIATIONS. RRC reserves the option to negotiate with one or more Respondents deemed highly qualified to provide the Professional Engineering Services sought by RRC. Negotiation elements may include, but shall not be limited to pricing, Professional Engineering Services included in a Contract award, and terms and conditions. RRC reserves the right to continue negotiations until the best value for RRC and the State has been achieved as determined in RRC's sole discretion.

2.10.5 BEST AND FINAL OFFER ("BAFO"). At sole discretion of RRC, after completion of weighted criteria evaluation, scoring, and oral presentations (if any), RRC may award a Contract or may request BAFOs from one or more Respondents whose scores are sufficient to qualify the Respondent(s) for further consideration and negotiation

as determined exclusively by RRC. In event RRC issues a request for BAFO, Respondents may be permitted to modify an original Response, and the RRC Contract Management Section shall evaluate the BAFOs received.

2.10.6 RRC CONTACT(S) FOLLOWING AWARD. RRC contact(s) for day-to-day administration of the Contract shall be determined following Contract award. These individuals may appoint one or more delegates to assist in the day-to-day administration of the Contract and may provide to Vendor a written list of RRC delegates.

2.10.7 RESERVATION OF RIGHTS. In addition to any other rights specified elsewhere in this RFQ:

- a. RRC reserves the right to reject a Response that does not fully comply with the instructions and criteria outlined in this RFQ;
- b. RRC reserves the right to reject any or all Responses and call for new Responses if deemed by RRC to be in the best interest of RRC and/or the State of Texas;
- c. RRC reserves the right to select none, one, or more than one Response for Contract Award when RRC determines that such action would be in the best interest of RRC and/or the State of Texas.

PART III: TERMS AND CONDITIONS

3. The terms and conditions herein shall be fully incorporated into and constitute part of the RFQ and any resulting Contract. Respondent/Vendor shall comply, and Respondent/Vendor shall require all subcontractors of all tiers to comply, with the terms and conditions of the Contract. In absence of express exclusion in whole or in part from the Response, all terms and conditions are deemed incorporated therein.

3.1 GENERAL TERMS AND CONDITIONS

3.1.1 COMPLIANCE WITH RFQ AND CONTRACT. By submitting a response, acknowledging and accepting the Contract, or delivering any services under the Contract, Respondent/Vendor acknowledges, accepts, and agrees to all terms, conditions, specifications, provisions, statements, and guidelines of the Contract, including, but not limited to, the RFQ. All parts of the RFQ are fully incorporated into and constitute part of the Contract for all purposes intended. RRC, in its sole discretion, may disqualify a Response from consideration if RRC determines a Response is non-responsive and/or non-compliant, in whole or in part, with the requirements set forth in this RFQ.

3.1.2 MISUNDERSTANDING OR LACK OF INFORMATION. Respondents must be thoroughly informed concerning all relevant facts, data, site conditions, and estimates required for the purpose of assembling a Response and concerning all difficulties that may be encountered in managing or operating a project under the Contract or a Work Order issued thereunder.

3.1.2.1 No plea of ignorance of existing site conditions or difficulties that may be encountered during performance of a Work Order issued under the Contract shall be accepted as an excuse for any failure or omission by Vendor to fulfill in every detail all requirements of the Contract or shall be accepted as a basis for any claim whatsoever for additional compensation to a finalized, negotiated Work Order.

3.1.2.2 By submitting a Response, each Respondent acknowledges and agrees that it fully understands and shall abide by the terms and conditions of the RFQ, and that Respondent shall not make any claims for, or has any rights to, cancellation or relief without consequences because of any misunderstanding or lack of information.

3.1.3 AMBIGUITY, CONFLICT, EXCLUSIONARY SPECIFICATION, OR OMISSION. If Respondent discovers any ambiguity, conflict, discrepancy, exclusionary specifications, omission, or other error in the RFQ, Respondent must immediately notify in writing RRC's point of contact for the RFQ. If Respondent fails to notify RRC's point of contact for the RFQ of any error, ambiguity, conflict, discrepancy, exclusionary specification, or omission, Respondent's submittal of a Response is done so at Respondent's own risk, and if awarded a Contract, Respondent shall not be entitled to additional compensation, relief, or time by reason of the error or its later correction.

3.1.4 RIGHT TO AMEND, MODIFY, OR WITHDRAW THE RFQ. RRC reserves the right to alter, amend, or modify any provisions of the RFQ or to rescind, revoke, or withdraw the RFQ, in whole or in part, at any time prior to Contract award if such action is determined by RRC to be in the best interest of the State of Texas and/or RRC.

3.1.5 NO ALTERATIONS OR WITHDRAWALS OF RESPONSE AFTER DEADLINE. Responses may not be altered or amended after the Response due date and time specified in the RFQ. Any alterations made before the Response due date and time must be initialed by Respondent or Respondent's authorized agent. Responses submitted may not be withdrawn after submission deadline. However, upon receipt of Respondent's written request to withdraw their Response, RRC may, but not must, in its sole discretion approve the request to withdraw a Response.

3.1.6 ATTACHMENTS. Any terms and conditions attached to a Response will not be considered unless specifically referred to in the Response. RRC reserves the right, in its sole discretion, to reject any Respondent terms and conditions or other documents or attachments as part of Respondent's Response.

3.1.7 BINDING EFFECT OF RESPONSE. Unless otherwise agreed in writing and signed by RRC, Respondent agrees to and is bound by the information and documentation provided with the Response. Upon award of Contract, negotiated prices shall remain fixed and guaranteed for the entire Contract period.

3.1.8 BINDING EFFECT OF CONTRACT. An awarded Contract shall inure to the benefit of, be binding upon, and be enforceable against, each Party and their respective permitted successors, assigns, transferees and delegates.

3.1.9 REJECTION OF RESPONSE AND CANCELLATION OF RFQ. Issuance of this RFQ does not constitute a commitment on the part of RRC to award a contract. RRC is under no obligation to award any contract as a result of this RFQ. RRC maintains sole right and discretion to reject any or all Responses and to cancel the RFQ if RRC deems such action as in the best interest of the State of Texas and/or RRC. RRC's waiver of any deviations in any Response will not constitute a modification of the RFQ and will not preclude RRC from asserting all rights against Vendor for failure to fully comply with all terms and conditions of the RFQ.

3.1.10 RESPONDENT COSTS. Respondent shall bear all costs and expenses associated with preparation and submission of a Response, including costs associated with travel to and attendance of pre-Response site visits, and submission of all required documents and all required copies of documents.

3.1.11 RESPONDENT IDENTIFICATION. Prior to award of Contract, Vendor must provide Vendor's Texas Identification Number (TIN) issued by the Texas Comptroller of Public Accounts.

3.1.12 CONTRACT AWARD, COPYRIGHT, REISSUANCE. A response to the RFQ is an offer to contract with the State of Texas through RRC based upon the specifications, terms, and conditions contained in the RFQ. The Response shall not become a contract with RRC unless, until, and to the extent RRC issues a fully executed Contract and Notice of Award to a successful Vendor. RRC in its sole discretion reserves the right to reject any or all Responses, all or any part of any Response, waive minor technicalities, negotiate pricing and Contract terms and conditions with all Vendors or no Vendors, and award a Contract in the best interest of the State of Texas and RRC.

Copyrighted Responses are unacceptable and are subject to disqualification as nonresponsive; in addition, RRC reserves the right to disqualify any Response that asserts any copyright on any RRC forms designated by the RFQ as a form required to be submitted with Respondent's Response.

Prior to issuance of a Contract, RRC reserves the right to make any corrections or include additional requirements necessary for RRC's compliance with all federal and state laws, regulations, rules, policies, and best practices. RRC reserves the right to at any time reissue the RFQ or issue another RFQ for the goods and/or services described in this RFQ.

3.1.13 LIMITATION ON AUTHORITY, NO OTHER OBLIGATIONS. Respondent/Vendor shall have no authority to act for or on behalf of the State of Texas and/or RRC except as expressly provided in the fully executed Contract. No other authority, power, or use is granted or implied. Vendor may not incur any debt, obligation, expenses, or liability of any kind on behalf of RRC or the State of Texas.

3.1.14 NO OTHER BENEFITS. Vendor has no exclusive rights or benefits other than those set forth within the Contract.

3.1.15 AMENDMENTS TO THE CONTRACT. The Contract may be amended only upon written agreement between RRC and Vendor; however, the Contract may not be amended in a manner that conflicts with the laws of the United States or of the State of Texas. Vendor agrees to amend the Contract and to cooperate in the execution of any contract amendments necessary to effectuate compliance with laws of the State of Texas when such laws require RRC to include additional language in the Contract. During the term of the Contract and any extensions or renewals thereof, RRC reserves the right to request amendments or modifications to the Contract when RRC determines such action to be in the best interests of the State of Texas and/or RRC and for compliance with all applicable state and federal laws, regulations, requirements, and guidelines. Except as otherwise provided in negotiated terms and conditions expressly identified and formalized in the Contract, the entire agreement between RRC and Vendor shall consist of the following documents: the Contract, amendments to the Contract, Purchase Orders, Work Orders and, Change Notices (if any), the RFQ (including addenda, if any), and the Response.

3.1.16 ORDER OF PRECEDENCE; PROHIBITED EXCEPTIONS

3.1.16.1 ORDER OF PRECEDENCE. In event of conflict between the RFQ and the Contract Documents, the following documents, in order of precedence, shall apply in resolving such conflicts:

- The Contract (including expressly identified, negotiated terms and conditions) and Amendments to the Contract, Purchase Orders, Work Orders and Change Notices (if any);
- The RFQ and Addenda (if any); and
- Vendor's Response.

3.1.16.2 PROHIBITED EXCEPTIONS. Unless expressly accepted in writing by RRC, the following exceptions within any Respondent's Response shall be rejected:

- Incorporation of laws of a state other than Texas;
- Any requirements for prepayment;
- Any limitations on RRC's remedies;
- Any requirements that RRC indemnify the Respondent;
- Any requirements that Respondent's documents control in case of conflicts;
- Any requirements that Respondent's documents control even if Respondent accepts or acknowledges the Contract;
- Any requirements to reduce or eliminate required insurance coverages, types, endorsements and limits; and
- Any disclaimer of warranties.

3.1.17 STATEMENT OF SERVICES, PERFORMANCE. Vendor shall provide the requested services in the manner described in this RFQ. In event of Vendor's failure to conform to all requirements of this RFQ, consequences may include, but not be limited to, RRC's withholding of acceptance and payments under the Contract, RRC's cancellation of all or part of the Contract, RRC's revocation of any prior acceptance and Vendor's refund of amounts paid prior to revocation of acceptance.

3.1.18 TIME LIMITS ENFORCED. Time is of the essence in the performance of this Contract. Vendor shall strictly comply with all deadlines, requirements, and standards of performance for this Contract and any Work Order issued thereunder and in execution of the work. Vendor acknowledges and accepts all time limits will be strictly construed and rigidly enforced.

3.1.19 CHANGES AND CHANGED CONDITIONS.

3.1.19.1 RRC's Authorized Representative may, in writing, order changes in the work within the general scope of the Contract or Work Order issued thereunder.

3.1.19.2 In event Vendor identifies Changed Conditions on a project site, Vendor shall not further proceed with work until Vendor has submitted a written notice of Changed Conditions to RRC's Authorized Representative and received from RRC's Authorized Representative an authorization to continue with work.

3.1.19.3 If Changed Conditions increase or decrease the cost of, or time required for performing, the work, Vendor shall assert a claim in writing prior to the making of final request for payment under the Contract, and RRC may issue a written equitable adjustment by change order. However, no adjustment shall be made in favor of Vendor unless Vendor has timely submitted written notice of Change Conditions and written assertion of claim in conformance with the terms of the Contract. Notwithstanding the forgoing, in absence of a written notice of Changed Conditions having been timely submitted by Vendor, RRC in its sole discretion may waive the requirement therefore and approve Vendor's claim. In the event RRC and Vendor cannot agree upon an equitable adjustment, the dispute shall be decided pursuant to the dispute resolution process contained within the terms and conditions of the Contract.

3.1.19.4 It is recognized and agreed to by RRC and Vendor that information provided within the RFQ, including specifications, attachments and addenda, if any, may not be complete or free from errors, omissions and imperfections, or that the information may require changes or supplementation in order for the work to be completed to the satisfaction of RRC. Accordingly, it is the express intention of RRC and Vendor, notwithstanding any other provisions in the Contract, that any errors, omissions or imperfections in such specifications, exhibits to the RFQ, and addenda, if any, or any changes in or supplementation to same or to a Work Order issued by RRC and any resulting delays in the work or increases in Vendor's costs and expenses arising out of such errors, omissions or imperfections shall not constitute or give rise to any claim, demand or cause of action of any nature whatsoever in favor of Vendor, whether for breach of Contract or otherwise; provided, however, that RRC shall be liable to Vendor for the sum stated to be due Vendor in any change order approved and signed by both RRC and Vendor, it being agreed hereby that such sum, together with any extension of time contained within the

approved change order, shall constitute full compensation to Vendor for all costs, expenses, and damages to Vendor as permitted under Texas Government Code Chapter 2260.

3.1.20 CONTRACT COMPLETION AND LIQUIDATED DAMAGES.

3.1.20.1 Performance Period. The performance period for work under a Work Order or Purchase Order arising under the Contract shall commence on the date stated within the NTP issued from RRC to the Vendor, and all work under the Work Order or Purchase Order shall be completed not later than specified within the Work Order or Purchase Order.

3.1.20.2 Liquidated Damages Value. RRC has determined that the completion of the work under a Work Order or Purchase Order arising under the Contract is critical to implementing the requirements of SB3 in Texas. Vendor's failure to complete any work within the required time of a Work Order or Purchase Order will cause damage to RRC and operations related to Critical Infrastructure Weatherization efforts. Since exact damages are difficult to determine or forecast, *the sum of Two Hundred Dollars (\$200.00) per calendar day per incomplete Work Order* is hereby established by the Parties as a reasonable estimate of just compensation to RRC for failure of Vendor to complete work specified by the date set forth in writing within the Work Order or Purchase Order or a written, authorized extension thereto. In event RRC deems liquidated damages are necessary and appropriate, the total sum of liquidated damages shall be deducted from the money due or to become due to Vendor, not as a penalty, but as liquidated damages and added expense including administrative and inspection costs for each and every calendar day the work or any portion thereof remains incomplete after the expiration of the performance period set forth within the NTP issued from RRC to Vendor or a written, authorized extension thereto.

3.1.20.3 Calculation of Liquidated Damages. Charges for liquidated damages will begin accumulating on the first calendar day following the final completion date set forth within the NTP issued from RRC to Vendor or a written, authorized extension thereto, and continue until the date of actual, final completion as established by RRC. Final completion of the Contract will not be issued until all required work under the Contract has been verified by RRC's Authorized Representative as complete.

3.1.21 ASSIGNMENTS AND SUBCONTRACTORS. Respondent/Vendor shall not assign its rights, or delegate the performance of Vendor's duties, under the Contract without prior written approval of RRC. Any attempted assignment in violation of this provision is void and without effect.

3.1.21.1 Vendor must submit to RRC's Authorized Representative any proposed subcontractor and shall receive from RRC's Authorized Representative, written approval of the subcontractor prior to Vendor authorizing subcontractor's performance of any work under the Contract.

3.1.21.2 Subcontractors providing service under the Contract shall meet the same requirements and level of experience as required of the Vendor.

3.1.21.3 No subcontract under the Contract shall relieve the Vendor of responsibility for delivery of work and services required under the Contract. If Vendor uses a subcontractor for any or all work required, the following conditions shall apply under the listed circumstances:

- Respondents planning to subcontract all or a portion of the work to be performed under this Contract shall identify each proposed subcontractor on the HSP form (see *RFQ ATTACHMENT 4 APPENDIX A Prime Contractor Progress Assessment Report (PAR)*);
- Subcontracting shall be at Vendor's expense;
- RRC retains the right to review any subcontractor's background and approve or reject the use of Vendor's proposed subcontractors;
- Vendor shall be the only Vendor for RRC for the Contract. Vendor shall manage Vendor's subcontractors, if any. Vendor shall provide contact information, including mobile phone number and email address, of Vendor's designated point of contact to which RRC and Vendor's subcontractors shall submit any inquiries.

3.1.22 PAYMENTS TO VENDOR. Vendor shall submit by email to RRC's designated point of contact all requests for payment. Payment requests shall be submitted upon Respondent's completion of and RRC's acceptance of work. When submitting request by email, Vendor shall include as attachments to the email Vendor's invoice, all additional documents required by Contract, and applicable to the payment request. Each Vendor's invoice shall reflect a single

Contract and all and only services related thereto which have been delivered, inspected, tested, evaluated, and accepted by RRC within the Contract performance period concluding on the invoice date.

3.1.22.1 Compliance with Texas Government Code Chapter 2251 required. A Vendor awarded a Contract arising from this RFQ, and all Vendor's subcontractors, if any, shall comply with all applicable provisions of Texas Government Code Chapter 2251 relating to prompt payment for goods and services under a contract issued by a state agency. Texas Government Code Chapter 2251 requires, in part, that a Vendor that receives payment from a state agency shall pay a subcontractor the appropriate share of the payment not later than the 10th day after the date the Vendor receives the payment; and, the Vendor's subcontractor who receives a payment from the Vendor shall pay a person who supplies goods or a service for which the payment is made, the appropriate share of the payment not later than the 10th day after the date the subcontractor receives the payment. Vendor's compliance with this provision shall be strictly enforced by RRC. RRC reserves the right to request evidence of Vendor's compliance, and evidence of Vendor's subcontractor's compliance with this condition of the Contract.

3.1.22.2 Progress Payments. Note: A Contract arising from this RFQ shall require 0% retainage withheld on all progress payments, unless expressly required by supplemental terms and conditions within a Work Order issued under the Contract. Payment requests under the Contract shall be based on work completed per deliverable or per month unless otherwise approved in writing by RRC. Upon Respondent's completion of work, and upon RRC's acceptance thereof, Vendor shall submit a properly prepared, itemized invoice accompanied by all additional documents required by Contract, as a Contract progress payment equal to **100%** of the value of the work invoiced as completed by Respondent and accepted by RRC. Subsequent to each invoice and Progress Payment, Vendor shall mail within three (3) business days the original, signed and notarized Vendor's Progress Payment Affidavit, if requested by the RRC designated Contract Manager (see **RFQ ATTACHMENT 8 PROGRESS PAYMENT AFFIDAVIT**).

3.1.22.3 Final Payments. Upon Respondent's completion of all final, not previously invoiced, work, and upon RRC's acceptance thereof, Vendor shall submit a properly prepared invoice as Vendor's request for final payment under the Contract. Upon Vendor's submittal of a properly prepared, itemized invoice accompanied by all additional documents required by Contract, final payment may be made by RRC in accordance with Texas Government Code Chapter 2251. Vendor's final payment request shall reflect value for 100% of the value of work performed by Vendor and accepted by RRC, but not previously invoiced by Vendor, and shall include invoicing for all retainage, if any, previously withheld and not released under the Contract. Vendor's final payment invoice and additional documents required by the Contract shall be accompanied by a completed "Final Payment Affidavit" (see **RFQ ATTACHMENT 9 FINAL PAYMENT AFFIDAVIT**).

3.1.22.4 INVOICE REQUIREMENTS.

Vendor's invoice must clearly reflect the following:

- RRC Contract Number, Work Order, and Purchase Order number (as applicable);
- RRC bill to information;
- Vendor name;
- Vendor address;
- Vendor remit payment to information;
- Texas Vendor Identification Number assigned by Texas Comptroller of Public Accounts;
- Invoice date;
- Invoice number (may not be duplicate invoice number from prior invoice submitted);
- Date(s) of delivery of services and/or goods;
- Invoice total;
- Invoices should be emailed to invoices@rrc.texas.gov and jesse.herrera@rrc.texas.gov; and
- Vendor's invoices submitted to and received by RRC, but which fail to conform to all invoice requirements stipulated within the Contract Documents will be returned to Vendor unpaid or will be held by RRC until all requirements for submittal of revised invoice and/or additional documents required by the Contract are satisfied.

3.1.22.5 AUTHORIZATION OF PAYMENT. Prior to authorizing payment to Vendor, RRC shall evaluate Vendor's performance in accordance with Contract requirements.

3.1.22.6 NON-REIMBURSABLE ITEMS. RRC will not reimburse for travel, meals, lodging, or other related expenses unless specifically provided for under the Contract and pre-approved in writing by both the RRC Authorized Representative and RRC Contract Manager assigned to the Contract. In such an event, costs will be invoiced to RRC based on actual expenses, and RRC shall not be liable for reimbursement of expenses that (i) were not preapproved in writing by RRC, or (ii) exceed the current State Travel Regulations. Vendors are required to provide receipts to validate invoicing. State Travel Reimbursement Rates may be found at: <https://fmx.cpa.texas.gov/fmx/travel/texttravel/rates/current.php>.

Vendors shall note: RRC shall not reimburse for travel, meals, lodging, or other related expenses that may be reasonably anticipated as part of the Contract or a Work Order issued thereunder. Vendors shall not be reimbursed for travel, meals, lodging, or other related expenses that are reasonable and ordinary in the course of delivery of Professional Engineering Services.

3.1.22.7 NO PREPAYMENTS. RRC will not prepay for any services provided to RRC by Vendor in performance of services or work under the Contract. RRC shall not make down payments, deposits, pay advances, advance deposits, or any other payments that are not made specifically for properly documented completed services approved for payment by and satisfactorily provided to RRC.

3.1.22.8 REFUNDS. Upon Vendor's discovery of any erroneous payment from RRC to Vendor of any funds, or upon receipt of written notice of erroneous payments issued by RRC, Vendor shall promptly refund or credit within thirty (30) calendar days any funds erroneously paid by RRC or which are not expressly authorized under the Contract.

3.1.23 RECORDS MAINTENANCE, RETENTION, AND AUDIT. Respondent shall maintain and retain all records relating to the performance of the Contract including supporting fiscal documents adequate to ensure that claims for contract funds are in accordance with applicable State of Texas requirements. These records shall be maintained and retained by Respondent for a period of seven (7) years after the contract expiration date or until all audit, claim, and litigation matters are resolved, whichever is later.

Either party may change its address for notice by providing written notice to the other party in accordance with the terms and conditions herein.

3.1.37 GOVERNING LAW AND VENUE. The RFQ and Contract shall be governed by and construed in accordance with the laws of the State of Texas without regard to conflicts of law provisions. The venue of any suit brought under the RFQ and/or Contract is fixed in any court of competent jurisdiction in Travis County, Texas unless the specific venue is otherwise identified in a statute which directly names or otherwise identifies its applicability to the RRC. Vendor irrevocably waives any objection, including any objection to personal jurisdiction or proper venue or based on the grounds of forum non conveniens, which it may now or hereafter have to the filing of any action or proceeding in such jurisdiction in respect of this Contract or any document related hereto. **Nothing in this Section shall be construed as a waiver of sovereign immunity by RRC.**

exercise or partial exercise of any right or remedy under the contract shall operate to limit, impair, preclude, cancel, waive or otherwise affect such right or remedy. A waiver by a Party of any breach of any term of the contract will not be construed as a waiver of any continuing or successive breach.

3.1.42 ENTIRE CONTRACT AND MODIFICATION. The Contract and its integrated attachment(s) constitute the entire agreement of the parties and are intended as a complete and exclusive statement of the promises, representations, negotiations, discussions, and other agreements made in connection with the subject matter hereof. Unless an integrated attachment to the RFQ and Contract expressly states a mutual intent to amend a specific article, section, item, term, or condition of the RFQ and/or Contract, general conflicts in language between any attachment and the RFQ and Contract shall be construed in favor of the terms and conditions of the RFQ and Contract. Unless expressly authorized by the terms of this Contract, no modification, renewal, extension, or amendment to the RFQ and Contract shall be binding upon the parties unless the same is in writing and signed by all Parties through an authorized representative of each Party with authority to bind the Party to the Contract.

3.1.43 SEVERABILITY. If any provision contained in this RFQ and the Contract is held to be unenforceable by a court of law or equity, the RFQ and Contract shall be construed as if such provision did not exist and the non-enforceability of such provision shall not be held to render any other provision or provisions of this Contract unenforceable.

3.1.44 COUNTERPARTS. The Contract issued pursuant to this RFQ may be executed in any number of counterparts, each of which shall be an original, and each such counterpart shall together constitute but one and the same agreement.

3.1.45 RESPONDENT'S STATEMENTS AND COVENANTS REQUIRED. ***Continuous Contract:** Any existing written agreement (including any renewals that are exercised) between a prime contractor and a HUB vendor, where the HUB vendor provides the prime contractor with goods or service, to include under the same contract for a specified period of time. The frequency the HUB vendor is utilized or paid during the term of the contract is not relevant to whether the contract is considered continuous. Two or more contracts that run concurrently or overlap one another for different periods of time are considered by CPA to be individual contracts rather than renewals or extensions to the original contract. In such situations the prime contractor and HUB vendor are entering (have entered) into "new" contracts.

HUB Subcontracting Plan (HSP)

In accordance with Texas Gov't Code §2161.252, the contracting agency has determined that subcontracting opportunities are probable under this contract. Therefore, all respondents, including State of Texas certified Historically Underutilized Businesses (HUBs) must complete and submit this State of Texas HUB Subcontracting Plan (HSP) with their response to the bid requisition (solicitation).

NOTE: Responses that do not include a completed HSP shall be rejected pursuant to Texas Gov't Code §2161.252(b).

The HUB Program promotes equal business opportunities for economically disadvantaged persons to contract with the State of Texas in accordance with the goals specified in the 2009 State of Texas Disparity Study. The statewide HUB goals defined in 34 Texas Administrative Code (TAC) §20.284 are:

- **11.2 percent for heavy construction other than building contracts,**
- **21.1 percent for all building construction, including general contractors and operative builders' contracts,**
- **32.9 percent for all special trade construction contracts,**
- **23.7 percent for professional services contracts,**
- **26.0 percent for all other services contracts, and**
- **21.1 percent for commodities contracts.**

- - Agency Special Instructions/Additional Requirements - -

*In accordance with 34 TAC §20.285(d)(1)(D)(iii), a respondent (prime contractor) may demonstrate good faith effort to utilize Texas certified HUBs for its subcontracting opportunities if the total value of the respondent's subcontracts with Texas certified HUBs meets or exceeds the statewide HUB goal or the agency specific HUB goal, whichever is higher. When a respondent uses this method to demonstrate good faith effort, the respondent must identify the HUBs with which it will subcontract. If using existing contracts with Texas certified HUBs to satisfy this requirement, only the aggregate percentage of the contracts expected to be subcontracted to HUBs with which the respondent **does not** have a **continuous contract*** in place for **more than five (5) years** shall qualify for meeting the HUB goal. This limitation is designed to encourage vendor rotation as recommended by the 2009 Texas Disparity Study.*

- The respondent must, upon request, allow the contracting agency to perform on-site reviews of the company's headquarters and/or work-site where services are being performed and must provide documentation regarding staffing and other resources.

PERFORMANCE EVALUATION STANDARDS

In accordance with Texas Government Code Chapter 2261, RRC has determined any Contract resulting from this RFQ may require enhanced monitoring for performance and compliance with the Contract terms and conditions. Enhanced monitoring may include, but is not limited to frequency of site visits, Vendor meetings, and documentation requirements deemed necessary by RRC to assess progress of the Vendor toward meeting the identified goals and outcomes established in response to assessments of unsatisfactory performance. The performance evaluation standards herein shall be applied during routine and/or enhanced monitoring of Vendors and work performed under the Contract. Performance evaluations resulting in deficiencies shall be considered in determining, in RRC's sole discretion, the appropriate corrective actions to be implemented to cure Vendor's deficiencies. Significant or repeat performance evaluation score deficiencies may result in termination of the Contract in accordance with provisions of Part III Section 3.1.28 Termination and Cancellation of the RFQ.

- **Services Performed:** this standard is defined as the Vendors' daily execution of Professional Engineering Services. This includes supervision, planning, progress, and coordination of engineering activities to ensure effective utilization of resources. Vendor shall be evaluated daily and shall receive between zero (0) and thirty (30) points per day. Points shall be deducted in increments of three (3) points or more for each Vendor-controlled deficiency that results in unsatisfactory progress. Thirty (30) points shall be awarded if all Professional Engineering Services are performed as specified within the applicable Work Order.
- **On Time Delivery of Project Deliverables:** this standard is defined as the Vendors' ability to meet agreed upon on Time Delivery of Project Deliverables. Vendor shall provide the Project Deliverables identified in Scope of Services, Section 2. Services to be Performed, on-schedule and on-budget, in strict conformity with the contractual requirements agreed upon between the RRC and Vendor. Partial or incomplete Deliverables will not be accepted. Vendor shall be evaluated based on agreed upon Project Deliverable deadlines between RRC and Vendor and shall receive between zero (0) and thirty (35) points per deliverable. Points shall be deducted in increments of ten (10) points per day for each Vendor-controlled deficiency that results in unsatisfactory progress. Thirty (35) points shall be awarded if all Professional Engineering Services are performed as specified within the applicable Work Order.
- **Personnel:** this standard considers Vendor's providing of fully trained personnel, including subcontractors' personnel, in accordance with specifications and terms and conditions of the Contract and the applicable Work Order. Vendor shall be daily evaluated and scored on Vendor's ability to maintain a fully trained crew that performs in accordance with the Contract and applicable Work Order at all times. Vendor shall receive up to fifteen (15) points for this standard. Three (3) points or more shall be daily deducted for each deficiency.
- **Safety:** this standard considers Vendor's maintenance of a documented safety program and Vendor's compliance with the safety program, OSHA, and established industry safety practices. Ten (10) points shall be deducted from Vendor's final performance rating for absence of a documented safety program and/or a lost time accident as a result of failure to comply with Vendor's safety program, OSHA, and/or established industry safety practices. This is a one-time point assessment issued at Contract completion.
- **Availability:** this standard considers Vendor's compliance with mobilization date specified within RRC's Notice to Proceed issued to Vendor. Vendor's failure to complete mobilization no later than the established deadline within the Notice to Proceed shall result in a ten (10) points deduction issued at Contract completion.
